# ASTM D-4172

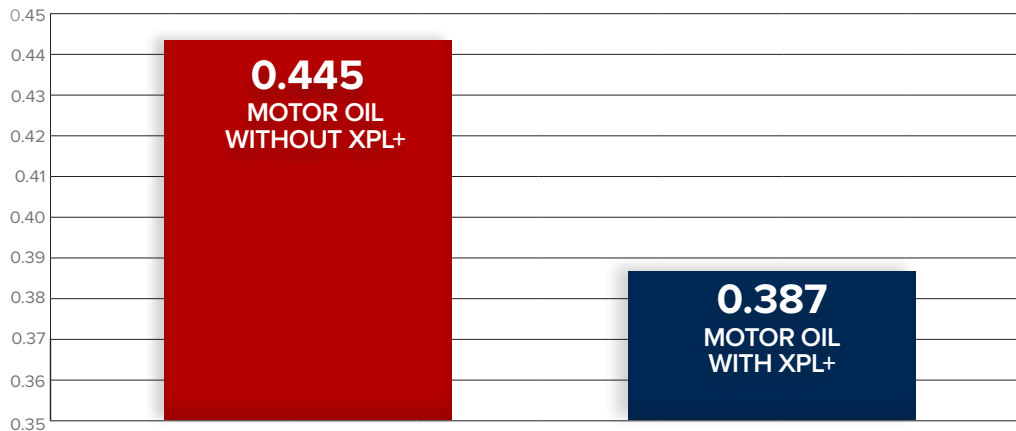

## FOUR BALL WEAR TEST

### TEST METHOD

- Test Method: ASTM D-4172 40kg 1 hour @ 75oC
- Make & Model: PTI M-4
- Base Product: 5W-30 motor oil without XPL+ Technology
- Test product: 5W-30 motor oil with XPL+ Technology

A standard ASTM D-4172 Four Ball Wear test performed by an ASTM-approved lab shows the difference in wear protection between motor oil with and without XPL+ technology.

### WEAR SCAR

### COEFFICIENT OF FRICTION
